*****Round 3: If needed, Shepherd University will provide devices and internet access for families who do not have any other means to connect to a zoom training. Interested families will need to make plans to travel to the Shepherd University campus each week to participate in a live Zoom meeting from one of the classrooms in White Hall. A member of the Shepherd University team will be available to help those families to log onto zoom and to moderate the classroom during training. Space will be limited to a maximum of three families. ******

We hope to resume in person trainings beginning in the Spring of 2022.
