THE PROVISION OF THE SCHEDULED TRAINING HEREIN IS CONTINGENT UPON CONTINUED SUPPORT THROUGH A FEDERAL IV-E GRANT ADMINISTERED THROUGH A PARTNERSHIP BETWEEN CONCORD UNIVERSITY AND THE WV DHHR BUREAU FOR CHILDREN AND FAMILIES, DIVISION OF TRAINING

What is PRIDE Training?

For over two decades the PRIDE Model of Practice has increased opportunities for child welfare agencies to provide a standardized, consistent, structured framework for the competency-based recruitment, preparation, assessment, selection, of foster and adoptive (resource) parents, and for foster parent in-service training and ongoing professional development. The PRIDE Model of Practice is used, in whole or in part, across the United States and in more than 25 countries. (www.cwla.org/pride-training)

Why be a Foster/Adoption Parent?

Foster and adoptive parents should have certain knowledge and skills called competencies. Children in foster and adoptive care need specialized care. Providing those unique parenting skills to families in an effort to nurture and support the children in our care is what PRIDE training is all about. The FIRST step in becoming a Foster or Adoptive parent is completing the PRIDE (Parent Resources for Information, Development, and Education) training.

- PRIDE Training is FREE and offered locally in your community and online through ZOOM.
- Level One or Pre-Service is 21 hours of training offered in seven, three hour classes.
- We are currently holding three (3) Pre-Service trainings per month. Two (2) trainings via ZOOM and one (1) in-seat training.
- You must PRE-REGISTER for Level One/Pre-Service Training by calling 304-384-5189 or contact the office by emailing wvfact@concord.edu. Pre-registration is very important so as to ensure that the materials for training can be mailed to all attendees. Also, if you are pre-registered, we can notify you directly if there are changes to the class or if we need to cancel class.

- Childcare is NOT provided. Due to the sensitive nature of the material, children are not allowed to attend any WVFACT Training.
- Inclement Weather Procedure: If schools are cancelled in the county where the in-seat training is scheduled to take place, class will be cancelled.
- While it is our intention that the schedule will not be changed, it is sometimes unavoidable. Participants are encouraged to check www.wvfact.com or www.facebook.com/wvfact to confirm no changes have been made.

Trainers will discuss and work with families to develop and improve the following essential competencies necessary for all Foster and Adoptive families:

- Protecting and nurturing children
- Meeting children's developmental needs and addressing developmental delays
- Supporting relationships between children and their families
- Connecting children to safe, nurturing relationships intended to last a lifetime
- Working as a member of a professional Multi-Disciplinary Team (MDT).
