

WEST VIRGINIA FOSTER AND ADOPTIVE CARE TRAINING

WVFACT Statewide In-Service Training Schedule

July 1, 2025 - June 20, 2026

ALL ABOUT WVFACT

The provision of West Virginia Foster & Adoptive Care Training (WVFACT) is made available by continued support through federal IV-E grant admissions through a partnership between the WV Social Work Education Consortium (SWEC) and the WV Department of Human Services (WVDoHS) Bureau for Social Services—Division of Training.

Multiple universities across the state partner together through SWEC to ensure WVFACT is accessible to foster, kinship, and adoptive families in West Virginia. All resources provided through WVFACT are centralized thanks to a collaborative partnership between the following SWEC Universities:

What is WVFACT In-Service Training?

West Virginia Foster and Adoptive Care Training (WVFACT) In-Service Training provides ongoing education and support to foster, kinship, and adoptive families after they complete pre-service training. These trainings are designed to deepen understanding, build essential skills, and address the complex needs of the children in their care.

In-service training includes two main components: **Trauma Rounds:** A series of three structured sessions (totaling 9 hours) focused on understanding trauma, its impact on children, and how to respond effectively as a caregiver. These sessions are essential for equipping families with the tools to support healing and resilience. **Monthly In-Service Trainings:** These 3-hour sessions are offered throughout the year and cover a range of relevant topics, such as behavior management, attachment, cultural competence, and more. They provide ongoing opportunities for learning and engagement.

Why take In-Service Trainings?

Understanding Trauma and Its Impact

Many children in foster, kinship, and adoptive care have experienced trauma such as abuse, neglect, or separation from loved ones. Trauma can affect a child's behavior, development, and ability to trust others. Training helps caregivers recognize the signs of trauma and respond in ways that are supportive, not reactive.

Staying Informed with Best Practices

Monthly in-service trainings keep caregivers up to date with evolving research, parenting strategies, and resources. These sessions cover topics such as attachment, cultural competency, discipline strategies, and navigating the child welfare system—ensuring caregivers feel equipped and supported.

Things to know about completing

In-Service Training with us:

- WVFACT Training is **FREE** and offered locally in your community and online through Zoom. Please review the Zoom Rules/Requirements.
- WVFACT In-Service Training consists of **12 hours** of required training that must be completed within the first year after finishing the WVFACT Pre-Service Training. This includes the WVFACT **Trauma Rounds**, which are made up of three sessions totaling **9 hours**. In addition, families can participate in ongoing monthly in-service trainings, each offering **3 hours** of additional learning and support.
- We are currently holding **a variety of In-Service Trainings per month**, including virtual and in-seat trainings.
- You must **PRE-REGISTER** for NTDC In-Service Training by accessing the WVFACT website at www.wvfact.com, calling 304-384-5189, or contact the office by emailing wvfact@concord.edu.
- Pre-Registration is very important to ensure that the materials for training can be provided to all attendees. Also, if you are Pre-Registered, we can notify you directly if there are changes to the class or if we need to cancel class.
- Childcare is **NOT** provided. Due to the sensitive nature of the material, children are not allowed to attend any WVFACT Training.
- **Inclement Weather Procedure:** If schools are cancelled in the county where in-seat training is scheduled to take place, class will be cancelled.
- While it is our intention that the schedule will not be changed, it is sometimes unavoidable. Participants are encouraged to check www.wvfact.com or www.facebook.com/wvfact to confirm no changes have been made.

FREQUENTLY ASKED QUESTIONS

Why do I have to take these in-service training classes?

WVFACT In-Service Trainings—including trauma-focused sessions and monthly in-service modules—are not traditional parenting classes. These trainings are designed to provide foster, kinship, and adoptive families with essential tools and knowledge to support children who may enter their care with a wide range of emotional, behavioral, and psychological needs. The goal is to help caregivers understand what to expect and how to create a safe, supportive environment where children can begin to heal and thrive.

Can I take classes online?

Since 2020, WVFACT has been offering In-Service Trainings through the online Zoom format. Online classes are held over Zoom, meaning they are live with the facilitator and co-facilitator, and participants will be expected to interact as they would if trainings were in-person. Participants are expected to utilize materials and review rules and procedures for online trainings as well as in-person trainings. Please be sure that you can meet all the expectations outlined in the Zoom Rules for Training before signing up for online training.

Do I have to attend the sessions in order?

While it is strongly recommended that trauma training sessions and any other on-going monthly trainings to be completed in sequential order to ensure the best learning experience, we understand that scheduling conflicts may arise. If a session is missed, it can be made up at a later date. Please note that certificates of completion will only be issued once all required sessions have been attended and any missed sessions have been completed.

How do I get the link to join the online classes?

When you register for WVFACT In-Service Trainings, you will receive a registration confirmation from an automated-email sender that will include the Zoom link and training materials for all sessions. This Zoom link does not change. You will also receive training reminder emails with the link 1-2 days a week, depending on what day(s) the training is held.

TRAINING LOCATIONS

Online Trainings

When attending online, you will need to provide a working email so that an automatic email will be sent directly to you once you have registered. This confirmation email will contain the ZOOM link for your trainings.

Braxton County Training Location

Braxton County DoHS Office

3708 Sutton Lane, Sutton, WV 26601

Concord University

1000 Vermillion Street, Athens, WV 24712

J. Franklin Marsh Library

Barbour County Training Location

Calvary Southern Baptist Church

743 Morgantown Pke, Belington, WV 26520

REQUIREMENTS TO ATTEND TRAINING VIA ZOOM

- Registration is mandatory. Only individuals who register will receive the link to the Zoom training.
- Log into training promptly. Log ins after 15 minutes will not be admitted to the training.
- Your camera must be on with your face in the frame. Couples can use the same camera but you both must be visible to receive credit for attendance.
- If you leave the training session at any time for more than 15 minutes (excluding scheduled breaks) you will have to repeat the training.
- Materials for the training will be mailed to the mailing address provided during registration.
- Distractions must be kept at a minimum; children should not be in the room during training, as many of the parts of the training are inappropriate for children.
- Please keep your microphone muted unless you are participating.
- You are expected to participate in discussion during the training.
- Be respectful of others.
- Anything shared in the training by you or other participants is considered confidential.
- Participants cannot drive any vehicle while attending a Zoom training. If any participant is in any vehicle, the vehicle must be stationary or driven by someone who is not attending the training.
- Be understanding. This is a new learning environment and some people may experience lag or other technical issues. Be patient with yourself and others.
- The co-trainer monitor will take attendance and monitor throughout the training to ensure participants are following the rules and procedures. Please note that **if a participant is not following the rules and procedures, they can be removed from the training and these issues will be reported to your agency.**
- **If you have not received the training materials at least 24 hours prior to the training, please contact wvfact@concord.edu**
