ALL ABOUT WVFACT

The provision of West Virginia Foster & Adoptive Care Training (WVFACT) is made available by continued support through federal IV-E grant admissions through a partnership between the WV Social Work Education Consortium (SWEC) and the WV Department of Human Services (WVDoHS) Bureau for Social Services—Division of Training.

Multiple universities across the state partner together through SWEC to ensure WVFACT is accessible to foster, kinship, and adoptive families in West Virginia. All resources provided through WVFACT are centralized thanks to a collaborative partnership between the following SWEC Universities:

**WEST VIRGINIA
FOSTER AND ADOPTIVE CARE
TRAINING**

What is NTDC Pre-Service Training?

The **National Training and Development Curriculum (NTDC)** is a new curriculum that is based on research and input from experts, families who have experience with fostering or adopting children, and former foster and adoptive youth. The NTDC will provide prospective foster, adoptive, and kinship caregivers the information and tools needed to parent a child who has experienced trauma, separation, or loss. This curriculum is a state-of-the-art classroom and online program that helps to prepare potential foster and adoptive parents to be successful parents. Additionally, the NTDC gives parents access to information and resources needed to continue building skills once they have the child in their home.

Why become a foster/adoptive parent?

On average, there are over 6,000 children in foster care in the state of West Virginia. The most prominent population of children in need are youth and teens as well as children with special needs. The need for foster and adoptive families is immense, as children need safe, nurturing homes to thrive.

Foster and adoptive parents should have certain knowledge and skills called competencies in order to provide the specialized care that children in foster care need. Providing those unique parenting skills to families in an effort to nurture and support the children in our care is what the NTDC training is all about. The *first step* to becoming a foster or adoptive parent is completing the NTDC Pre-Service Training.

Things to know about completing the NTDC

Pre-Service Training with us:

- NTDC Training is **FREE** and offered locally in your community and online through Zoom. Please review the Zoom Rules/Requirements.
- The NTDC Pre-Service Training is **21 hours** of training offered in **seven three-hour classes**.
- We are currently holding **a variety of Pre-Service Trainings per month**, including virtual and in-seat trainings.
- You must **PRE-REGISTER** for NTDC Pre-Service Training by accessing the WVFACT website at www.wvfact.com, calling 304-384-5189, or contact the office by emailing wvfact@concord.edu.
- Pre-Registration is very important to ensure that the materials for training can be provided to all attendees. Also, if you are Pre-Registered, we can notify you directly if there are changes to the class or if we need to cancel class.
- Childcare is **NOT** provided. Due to the sensitive nature of the material, children are not allowed to attend any WVFACT Training.
- **Inclement Weather Procedure:** If schools are cancelled in the county where in-seat training is scheduled to take place, class will be cancelled.
- While it is our intention that the schedule will not be changed, it is sometimes unavoidable. Participants are encouraged to check www.wvfact.com or www.facebook.com/wvfact to confirm no changes have been made.

FREQUENTLY ASKED QUESTIONS

Why do I have to take these parenting classes?

NTDC Pre-Service Trainings are not parenting classes—these classes offer the necessary skills needed to undertake your new role as a foster parent. The children, relative or otherwise, will arrive with an array of different challenges and this training is designed to equip you with the understanding of what to expect and how to provide a place for the child(ren) to heal physically, psychologically, and emotionally.

Can I take classes online?

Since 2020, WVFACT has been offering Pre-Service Trainings through the online Zoom format. Online classes are held over Zoom, meaning they are live with the facilitator and co-facilitator, and participants will be expected to interact as they would if trainings were in-person. Participants are expected to utilize materials and review rules and procedures for online trainings as well as in-person trainings. Please be sure that you can meet all the expectations included in the Zoom Rules for Training before signing up for online training.

Do I have to attend the sessions in order?

While it is always best to take the sessions in order, there are times when it is not always possible. If you miss a session, you can retake that session at a later date. You will not receive your certificate of completion until after you have completed/retaken all missed sessions.

How do I get the link to join the online classes?

When you register for NTDC Pre-Service Trainings, you will receive a registration confirmation from an automated-email sender that will include the Zoom link and training materials for all sessions. This Zoom link does not change. You will also receive training reminder emails with the link 1-2 days a week, depending on what day(s) the training is held.
